

EUROPEAN EDUCATIONAL RESEARCH ASSOCIATION

Projects & Partnerships

EERA participates in European projects and international partnerships. Its current focus is on the upcoming European framework programme, 'Horizon 2020'.

ISE

EERA is one of the few SSH associations engaged in The 'Initiative for Science in Europe' (ISE).

EERA and Horizon 2020

EERA has been collaborating with a number of partners, among them ISE and EASSH, in order to highlight the importance of SSH research for European research in general and for the EU's latest framework programme 'Horizon 2020' in particular.
