

EUROPEAN EDUCATIONAL RESEARCH ASSOCIATION

Promoting Emerging Researchers

EERA aims at promoting Emerging researchers and PhD students. Within EERA their interests are represented by the Emerging Researchers' Group, whose convenor is a co-opted member of the EERA Council.

EERA's activities for Postgraduates/and Emerging researchers are:

EERA's activities for Emerging Researchers

Emerging Researchers' Group

The Emerging Researchers' Group fulfils two main EERA objectives: the need to develop research training in Europe by generating methodology seminars and workshops and providing support for young researchers on issues of career development, promoting collaborative work - including presentations.

ECER Conference Bursaries

Each year, EERA offers financial support to promising emerging researchers from Eastern European and other Low GDP countries to enable their conference participation. The ECER conference bursary consists of free entry to the ECER Main Conference and a 500 Euro travel bursary. Local bursaries, including free entrance to ECER and ERC are offered to students and recent graduates from the country hosting the conference.
