NOV 2016: The Future of European Knowledge and the Role of Social Sciences and Humanities Research

EASSH - the 'European Alliance for Social Sciences and Humanities' has recently published a paper on "The Future of European Knowledge and the Role of Social Sciences and Humanities Research".

You can download it here: http://www.eassh.eu/PDF/EASSH_Bratislava_final_def.pdf

EASSH brings together more than 25 European disciplinary associations and scholarly networks. The main purpose of EASSH is to promote research on social sciences and humanities as a resource for Europe and the world and to give a voice to SSH disciplines in the design of science policy at and international levels.
