

EASSH Position Paper for the EOSC Summit

In June, EASSH has been invited to attend the European Open Science Summit. The aim of the event is to reflect on the progress of our current achievements and ongoing efforts, and to consult with the key stakeholders, on operational and strategic aspects of the EOSC before the implementation phase starts. EASSH has prepared a Position paper for the event [Co-designing the European Open Science Cloud The Role of Social Sciences and Humanities](#).
