

EUROPEAN EDUCATIONAL RESEARCH ASSOCIATION

EERA Network "Research on Health Education" has just published a special issue at Emerald Insight

School health education and promotion: current approaches and critical perspectives

EERA's Network "Research on Health Education" signed a contract with Emerald for a regular publishing collaboration. The network plans to publish at least one special issue ever year.

Please follow this link to the first special issue of Health Education: <http://www.emeraldinsight.com/toc/he/117/5>
