

EUROPEAN EDUCATIONAL RESEARCH ASSOCIATION

8th IEA International Research Conference

Date	26 - 28 June 2019
Venue	The Danish School of Education, Aarhus University in Copenhagen, Denmark
Organisation	IEA in cooperation with the Danish School of Education

The differences that make the difference

The 8th IEA International Research Conference (IRC-2019) will take place on 26-28 June 2019 at The Danish School of Education, Aarhus University in Copenhagen, Denmark, and will be preceded by workshops on secondary data analysis on 24-25 June 2019.

The IEA IRC-2019 will provide an international forum for all those working with IEA study data to present their findings and exchange views on critical educational research issues in a comparative and global context.

Keynotes

Dr Aaron Benavot, Professor of Global Education Policy, Department of Educational Administration and Policy Studies, University at Albany, SUNY, New York, USA.

Dr Christian Christrup Kjeldsen, Department for Educational Sociology at the Danish School of Education, Aarhus University, Copenhagen, Denmark.

Other keynotes to be confirmed shortly.

Submission closes 30 September 2018.
